

# Nursery

# Autumn 1: Ourselves.

This half term we will be making friends and learning all about ourselves.  
Below is our overview for this term.

## Physical Development

- We're getting our wellies on to do some gardening and go on an autumn scavenger walk. We are going to rake leaves into piles and jump in them!
- We'll be building our finger muscles by threading pasta and Cheerios, making button pictures and playing with water pistols.

## Understanding the world

- We're going on a local walk to look at the different buildings where we live.
- We will be constructing houses using wooden bricks and building dens outside.

## Communication, Language and Literacy

- We will be investigating and listening to sounds in our environment.
- We will be talking about our favourite things to do, our feelings and how we are all different.
- We'll be enjoying lots of story time!

## Mathematics

- We will be fingerprinting and singing to practice our counting.
- We'll be investigating a new number each week.

## Personal Social and emotional Development

- During show and tell, the children will share a box all about themselves.
- We'll be thinking about our feelings.
- We'll be making new friends and playing in groups.

## Expressive Art and Design

- We'll be singing and dancing to rhymes and songs.
- We'll be constructing a model of our house.
- The children will be making faces and self portraits by practicing their cutting, sticking, drawing and colouring skills.
